

Premier-MPO

Low-Loss Multi-Fibre Optical Connectors

Features

- Achieved excellent optical performance with high-end precision technologies
- Simple “PUSH-PULL” connection method for easy and reliable installation
- MPO allow simultaneous packing with electric connectors in same slot
- High performance applications are a match for Fujikura’s MT technology

Applications

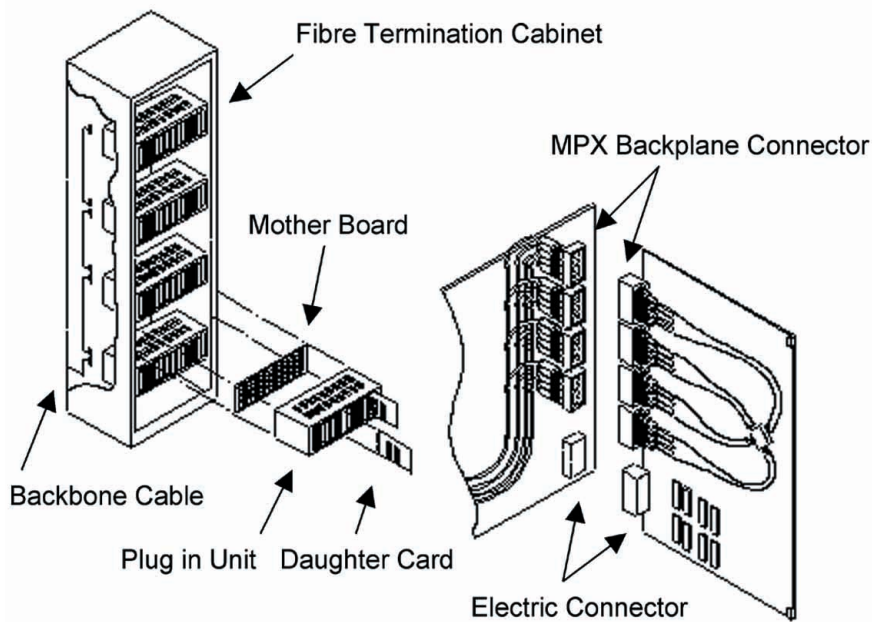

- Telecom and datacom transmission equipment, specially targeted on the usage at the DWDM market, requiring low loss single mode interconnection.
- Optical measurement components.

Performance

Item	Performance	Connector	Fibre Type	Light Source
Insertion Loss	Max 1.0dB	Standard Type MPO	SM 10/125	LED, Wavelength=1.31µm
	Max 0.35dB	Premier MPO		

Premier-MPO Packaging System
